Crop Conditions In the Province

FOURTH FORTNIGHTLY CROP REPORT

Conditions attending the growth of the new crop in the province continue to be generally satisfactory. Splendid rains have visited the majority of districts since last report, the greater part of the precipitation coming on May 21, 22 and 23. These rains were followed by two days of cool weather, so that the soil benefited to the full extent from the precipitation. The extreme south-east section of the province and the Peace River country did not receive the rains to the same extent as the remainder of the province. Seeding of coarse grains is nearing completion. Wheat is several inches above ground and for the most part showing a healthy, even growth, with a few exceptions where germination has not been satisfactory. The reports received by the Department state that the subsoil moisture is greater in most districts than for several years.

Hay crops and pasture are picking up rapidly. There is an increase in area of fodder crops, particularly in corn and alfalfa in the south. Reports have been received of damage by cutworms from some districts. A rather serious outbreak of grasshoppers is also reported from the North country. The Department now has material and supervisors in the field with the object of checking this outbreak. Slight outbreaks are also reported from the old grasshopper areas, but it is anticipated that the damage will be very small. The Department is investigating the whole situation with respect to pests in the province.

COMING EVENTS

The Anglican Ladies Guild will hold a tea and panty raise from 3 to 6 p.m. Sunday, June 13th.

BASEBALL

Gleichen vs. Strathmore WEDNESDAY, JUNE 3rd 6 p.m.

Admission 35c

MEMORIAL HALL, SATURDAY, JUNE 6, 1925

Municipal Picnic

The enterprising Municipality of Keoma, lying due north of Strathmore, has fathered some excellent new ideas since it was first organized, but none more sensible or more conducive to the well-being of the people residing within its limits than the project for the purchase of fifty acres of land adjoining Bruce Lake for the purpose of a picnic and sports field. To announce the opening of the new park, a picnic and sports will be held under the auspices of the Municipality on Dominion Day, July 1st, when there will be baseball games, water sports, and other athletic events. Bruce Lake is a fine body of water, suitable for bathing and boating, and a great resort for sportsmen in the fall. The action taken by the Municipality will ensure its preservation for a picnic ground for all time, and will make it a very popular resort for the whole district.

Further details of the Dominion Day Sports are being given by advertisement and posters.

Ardenode

Mrs. Gohard, Sr., entertained the U.F.W.A. at her home Wednesday last. Junior work and Junior were being the chief topics of the afternoon. Clifford Dawson was elected Junior delegate to attend the Junior Conference at Edmonton in July. As usual, Mrs. Gohard treated the ladies to a delicious lunch at the close of the meeting. The next meeting will be held at the home of Mrs. Chas. Dawson on June 10th at 2:30 p.m. Bring a friend and come. The delegates will have good news for you. Mrs. Horrocks, U.F.W.A. director, Medaunes Rosad and Gohard Sr. are delegates to the Serviceberry District Association at Tudor on June 6th. The Junior whist drive and picnic social on Friday night last was a huge success. \$24.00 was realized by the boys and girls. After full justice having been done to the pies and other refreshments the floor was cleared for dancing. Congratulations are due to Mrs. Rosad and Mr. Pleaser for the music they furnished.

Strathmore U.F.A.

A meeting of Strathmore U.F.A. was held Saturday evening. President A. J. J. Weyers in the chair. Messrs H. Hildon, Steve Chamberlain, Leslie West and A. J. J. Weyers were elected delegates to the Convention to be held in Glendon on June 12. Hog Shutes It was stated that the C.P.R. would furnish the material for a permanent hog chute at Strathmore if the U.F.A. members would supply the labour for erection, and it was decided to do this. The executive of the new pools was written to regarding holding a meeting for the purpose of explaining the purpose of the pools to the people of the district.

Keoma Notes

The Gala Day was a distinct success. An enormous crowd attended and the community hopes to see a large sum of money, to be devoted to baseball and the new hall. Keoma K-K-K's won both games, the scores being, Irricana vs. K-K-K's 21-3, and East Calgary vs. K-K-K's 18-8, both being good games. The Ladies' booth served very acceptable lunches at reasonable prices, and made a handsome profit. The dance held in the barn of Ross William, to whom the community are very grateful, was packed, over four hundred people being present. The ladies were very sorry that they were unable to serve lunch, but their resources were quite inadequate.

Last Thursday a pleasant surprise party was held at the home of Mrs. George Wilson in Keoma, who, with Mr. Wilson, is leaving for the coast on a holiday. It took the form of a handkerchief shower. A dainty lunch was served, and Mrs. Galloway made the presentation. We wish Mr. and Mrs. Wilson a pleasant holiday. Mr. Macdonald is again here to preach during the summer months. The Keoma Dramatic Society are visiting Langdon with their play, "Nothing But the Truth" next Friday, June 5th. A dance will be held after the play, so they hope to have a record attendance.

Days We'll Never Forget

Beiseker Notes

Mr. Chas. Fryer, of the village, met with a painful accident while motorizing from Calgary last Wednesday. Something went wrong with the steering gear, and the car took a nose dive into the ditch. Fortunately Mr. Fryer escaped without any bones being broken, but he received a number of severe cuts and bruises, and had both wrists badly sprained. Miss Hilda Fryer and Mr. Carl Lohrie motored to Calgary on Sunday and report that Mr. Fryer is recovering nicely. Miss Porter and Mr. Campbell, Miss Olsen and Mr. Gimble attended a dance at Rosebud on Friday evening, arriving home in the wee small hours. Miss Elizabeth Ullricher has left for her home in Camrose to prepare for her coming wedding with Mr. Jack Selzer, of Beiseker. Someone secured access to Mr. Duttner's store during Thursday night, and got away with over thirty-two dollars in cash. The police were notified at once, but so far the culprit has not been found. Miss Margaret Hall has taken over the telephone central, which has been moved to Mr. E. N. Hazel's office.

CONVENTION OF AGRICULTURISTS

The dominion convention of the Canadian Seed Growers' Association, with attendance of probably 160 delegates, will be held in Edmonton, June 22 and 23, and the convention of the dominion organization of the Canadian Society of Technical Agriculturists will be held on the three days following, June 24, 25 and 26. Comprehensive programs have been arranged for these conventions and there will be important speakers at both. These conventions will bring some 200 delegates to the province.

Bow Valley District Association U.F.A. and U.F.W.A. will meet at the Meadowbrook Community Hall June 12th at 10:30 a.m. The prominent speakers of the day will be Hon. G. Hoadley and others. Locals interested please take notice. Come on time and bring your lunch baskets. Coffee will be served by the local ladies. Don't forget the date.

Langdon

Mrs. Brown, of Melrose, President of the Rebekah Assembly, made an official visit to Clara Rebekah Lodge, No. 76, on Thursday. Mr. Ross, Grand Master I.O.O.F., Mr. and Mrs. Hawkes, and Mrs. Ross accompanied her. Mrs. A. Snider, of Calgary, has been spending a week at the home of her son, Donald. Mr. and Mrs. F. Brander and family visited at the Pat Duffus home in Dalmenod on Sunday. The Ladies Aid met at the home of Mrs. G. Bantlan last Wednesday. The next meeting is at the home of Mrs. R. Cowen, June 10th.

"The Hungry Five" gave a very successful dance on Friday night. Chaplin's orchestra was in attendance. Mr. Lonsdale conducted church services here on Sunday. A new minister, Rev. Johnson, will be here June 14.

Mr. J. Paris and family, who spent the winter in France, intending to stay permanently, couldn't resist the " lure of the West" and have returned. He purchased a section of land from Mr. V. E. Dye, and will make his home near Langdon.

Mr. and Mrs. F. Stale are now living in their new home.

Mrs. G. Henderson returned on Tuesday from a four week's visit with friends at Vancouver.

Mr. A. Heckle has a new car. Mrs. Wightman and Mr. S. W. Wilson have new broughams.

The town is looking quite "spruce." The P.O. is getting a coat of paint, the restaurant is splendid in its coat of green. Several others could take a hint.

Mrs. Glaster, the primary teacher, spent the week-end in Calgary.

Nightingale

We were very well pleased to see Mrs. Mack Lounsbury back home again, after having spent two months in the Holy Cross Hospital, at Calgary. She is now looking very fit and says she is feeling fine. Mrs. Lounsbury wishes to thank all friends for very kind inquiries, and for flowers, etc., sent during her sickness.

The high winds have caused quite a little damage to crops in this district. More rain would help quite a lot.

The U.F.W.A. met at the home of Mrs. Anderson last Thursday afternoon, most of the members being present, and several visitors. After the roll-call, "Famous Mothers," which was well responded to, Mrs. Thurston gave a paper on the advantages of a higher education, which was much appreciated. After the meeting adjourned, Mrs. Anderson served lunch. The next meeting will be held at the home of Mrs. Walker on June 11th.

A dance was held in the hall on Friday evening, under the auspices of the U.F.A. A large crowd turned out. The Barry orchestra was in attendance and gave fine music. The dance was a financial success, and everyone had a good time.

The Nightingale School, under the leadership of Mr. Ferguson, had a very nice picnic at the sports grounds last Monday. The children had a great time, and still had some peanuts and candy left, when they arrived home.

The Valley Gardens Sunday School had their picnic last Saturday afternoon. All the children and some of the parents were out. The children had a fine time racing and playing lots of games, and scrambling for candles, etc. They arrived home about 8 p.m. quite ready for bed.

Rosebud News

See H. N. Jones, Rosebud, for your Hail Insurance policies.

Win. Kelly and family returned to Calgary last Friday.

R. W. Brunner has a new McLaughlin car.

A much needed improvement has been made in the way of making a wider grade on the road leading out north from town.

Everybody had a good time at the dance Friday night. The drummer seemed real worried for fear of rain before he could get back home, but we hope to see his usual smile the next time we see Lon.

Mr. and Mrs. L. Weaver, and Mr. G. Graham were visitors in the W. E. Payne home last Saturday.

Mr. and Mrs. L. Moler spent the week end in a fishing trip. We expect to hear a while of a fish story the next time we see Lon.

Mrs. A. C. Scott is visiting friends in Rosebud.

Mr. Leslie Campbell, his sister, Mrs. McEwen, and Miss Opal Jones, returned out from Calgary last Sunday for the day.

The Ladies Aid, of Rosebud, will hold their regular meeting and tea at the home of Mrs. George Green on Thursday afternoon, June 4th. They would like to draw the attention of all the Ladies of the District to their monthly sale of home cooking to be held in the hall on Saturday evening, June 6th. All contributions of cakes, pies, butter, cream, bread, etc., will be gratefully received. Tea will be served.

ACCIDENT AT ROSEBUD

Letta Zlatoff, fourteen year old daughter of Nick Zlatoff, of Rosebud, sustained a bad injury to her side yesterday (Tuesday) afternoon, when playing with other children. She was removed to Rockyford Hospital.

Rockyford

An expert criticism of the time spent by Rev. Dr. Jones and Mrs. Odette Myers at Rockyford on the 28th, will appear in next issue.

Two of the popular young ladies of Rockyford returned to Calgary last Sunday. Quit a number of Rockyford men were weekend visitors to the city.

Mr. J. W. Curran was out of town on a fishing trip to the Clearwater the first few days of this week. Did they bite this time, Bill?

See H. N. Jones, Rosebud, for your Hail Insurance policies.

Mr. A. C. Macdonald, of the Canadian Bank of Commerce staff, left last Saturday on a two weeks vacation to Jasper Park.

Born to Mr. and Mrs. C. Conroy, on May 26th, a daughter. Both mother and child are doing well.

We regret to announce the death of Mrs. G. W. Roppel, at Underwood, Ont., mother of Simon, George, and Louis Roppel, on Sunday, May 31st. Mrs. Roppel had a fall about two weeks ago. She was 75 years of age. Simon and George left last week for their home, arriving before their mother's death. The sympathy of the community is extended to them in their bereavement.

We notice the municipality of Grasswood are doing some good work on the roads these days. They are also putting in a much needed bridge at the Cammari place, just south of town. Keep up the good work, gang. Mr. L. L. Plotkins is going right ahead with his office building and oil station between the Bank and Carpenter's Hardware, and he expects it will be ready for occupancy in a month's time.

Quite a number of Rockyfordites took in the dance at Rosebud last Friday.

Born to Mr. and Mrs. L. W. Pomroy, of Rockyford Hospital, on June 2nd, a son. Dr. Denovan attended. Walter is passing the cigars.

Mr. C. H. Gower, of Redland, is patient in Rockyford Hospital. Don't forget the benefit dance on June 5th, in Rockyford Hall. Charity music.

on the NEW Chevrolet

A Disc Clutch

that requires no lubrication

Completely Enclosed
Flywheel and Disc Clutch
showing internal construction

THERE is a new type of clutch in the New Chevrolet. It makes gear shifting easy—it starts the car smoothly; a light pedal pressure operates it—it has more than a thousand pounds pressure action, delivering all the power to the rear axle without slippage—it is fully enclosed—it is simple—it has no internal adjustments—it requires no lubrication—what more can be wished for in any clutch?

F. W. GIBSON,
Dealer, Rockyford

UNION CHURCH NOTES

On Sunday evening last, Mr. Rogers gave an account of the proceedings of the 22nd session of the Alberta Methodist Conference, held in Edmonton last week, and stated this was the 22nd Annual Conference, and the last. The next report will be the last report of the United Church of Canada.

There will be a special gathering of the congregations of our circuit on June 10th at 8 o'clock in Rockyford Church. This gathering will be held to commemorate this historic event and we are expecting a large gathering of our congregations from Crowfoot, Tulare, Balintore, and Rockyford. We are pleased to state that Rev. A. H. Rowe, of Strathmore, will be with us to give an address, and a special programme is being prepared. Please keep this date open, and everybody is welcome.

Mr. J. Korvick of Calgary, has been added to the staff of Rockyford Motors. He is a first-class mechanic.

BIG ACRES IN SUGAR BEETS

Over 7,200 acres of sugar beets have been planted for the new beet sugar factory at Raymond according to reports from Lethbridge.

TO SEARCH FOR TREASURE IN FAR NORTH

Five men from Hull, England, of various ages ranging from 22 to 50, sailed from Liverpool recently by Canadian Pacific Sea-Mine on the ship of the Great North West. The mine is believed to be in the vicinity of the Mackenzie River, District of Alaska, and is located in a cliff hundreds of miles from civilization. The last part before striking the trail will be Wrangell, Alaska. The party is led by John Riley, engineer, aged 50, who had much experience in the Klondike gold region. The rest of the party are Thomas Thompson, sailor, aged 50; Joseph Millard, tinsmith, aged 25; Robert Fleming, engineer, aged 35; and Ernest Starke, confectioner, aged 32. When they find the mine, they will stake it and return to England to form a company for its development. As they passed through Saint John, N.B., the party was full of confidence and hope to return to the Old Country by next October.

Idolatry

By A. D.

In our last letter we referred to ancient religions and doctrines. It is a well-known fact that almost every form of religion has sooner or later drifted into some form of idolatry. Of course, there are none of the followers of any of the great religious bodies that will admit that their particular religion is idolatry. We might name some of these teachers to help demonstrate our idea more clearly.

Calling your attention to some of the early masters as mentioned in history. Let us, for a moment, look at Zoroaster, who lived around 1200 B.C., at Moses, who lived about the same time or a little earlier, Confucius and Buddha, who lived about the sixth century B.C., and Mohammed, whose time of activity was from 610 to 632 A.D. I have left out the greatest of all religious leaders for further consideration in this letter.

It would take much time and space to go separately into the life and teachings of these men, suffice it to say that each in their turn laid down the foundation of moral or religious structure, and in every case, except it might be in that of Mohammed "who himself started the disintegration of his own early convictions," have the followers of these teachers drifted far from the beaten path. I referred to this regarding the females in my last letter. The same is true of the others.

While, to many, it might not seem idolatry, yet it is easier to get into idolatry than most of us think. Just here, let me give the definition as given by one of our best dictionaries.

Idol, a figure, an image of some object or worship, a person or thing too much loved or honored, any phantom of the brain, or any false appearance, by which men are led into error, or prejudice, which prevents impartial observation, a fallacy.

In short, then, an idol is any thing of fact or imagination that comes between man and God. The question might be asked, "why do men drift in to serving other gods? Jeremiah says:

"The heart of man is deceitful and desperately wicked." In the light of this statement, we do not wonder at the natural man following after things which tend to lead him away from the truth; and so it is that followers of the aforesaid master have gradually drifted away from their precepts.

What about our own religion established by Jesus who is called Christ? Surely you will say there can be no idolatry among the followers of the

Social & Personal

The Union Ladies Aid met at the home of Mr. and Mrs. Whitehead on Thursday afternoon, May 28th. After the regular business had been attended to, Mrs. Zerle, on behalf of the ladies, presented Mrs. A. W. Girvin with a small gift as a token of their appreciation for her many services rendered the organization during her years of residence in Strathmore. A dainty luncheon was then served by the hostess.

Mr. Douglas French, of the local C.P.R. Irrigation Staff, who went down to Winnipeg last month for treatment for stomach trouble, underwent a severe operation last week, having been on the operating table for two and-a-half hours. He is now reported to be doing as well as can be expected, and his many friends hope that he will soon be restored to health and strength.

Mr. and Mrs. Fred Wagner are rejoicing in the birth of a daughter on May 29th.

Mr. and Mrs. Chas. Kevling are also feeling happy in the birth of a son.

John Gosson, a member of the Menominee Colony at Nanaima, was severely hurt at Nanaima last week, having been run over by a seeder.

A daughter was born to Mr. and Mrs. Albert County on May 25th.

Albert and John Gilson, of Edmonton, were visiting with their father, Dr. J. W. Gilson, last week.

Mr. and Mrs. T. J. Koch, and Mr. and Mrs. Harry Kane spent the week end with Dr. and Mrs. Geo. Koch, at Bonato.

Mrs. Annie Carr Quinn is at present in the East, to meet her sister, Mrs. Frank Nelson, of Meersbrook, Sheffield, England, who is spending the summer in Canada. They will return west about June 15th.

Weak and lowly Jesus. Yet I fear such is the case. Many worship the cross. They talk of our church, our minister, etc. Many put the advances of the church first, saying, "unless you do so-and-so you cannot be saved."

It would be well to read John 2:16; idol worship is as prevalent today as it ever was. The reason is, we try to be Christians by our own strength, thinking salvation is obtained by works, or observance of certain ordinances. These will be shown who will say, "Lord, but we did many mighty works in thy name"; but he will answer unto them: "depart, I never knew you." I am not discouraging good works. God forbid. But anyone who trusts for salvation in anything they do are trusting in a broken reed. Salvation comes by the grace of God, through faith in his atonement, and in no other way. Then, let us look to no other way but the simple trusting faith as taught by that great apostle to the Gentiles, and by Jesus Christ himself.

FLORAL TRIBUTES—Mrs. Gray—Following is a list of the floral tributes at the funeral of Mrs. A. F. Gray last Wednesday:

G.W.V.A., G.W.V.W.A., C. F. Irrigation Staff, Mr. and Mrs. T. E. Wright, Mrs. Hunter, Mr. and Mrs. Arnold Lauson, Mr. J. Swanson, Mr. and Mrs. Geo. Smith, Mr. and Mrs. J. Taylor and family, Mr. and Mrs. Ben. Fossenden, Mr. and Mrs. James Martin, Dalemead, Mr. and Mrs. M. B. Garrett and family, A.F. & A.M. Union Church Ladies Aid, Mr. and Mrs. J. Mackenzie.

SUPERVISORS FOR WEED WORK

Field supervisors for the prosecution of the Provincial Department of Agriculture's campaign against the weeds in the province have now been appointed and assigned to their respective districts. They are as follows:

District 1, L. E. Klotz, Taber; District 2, Geo. Ingram, Lethbridge; District 3, H. T. Harris, Chesham; District 4, and 9, E. W. Brundson and W. W. Miller, Calgary; District 5, A. P. Shuttleworth, Valdez; District 6, H. Phillips, Brooks; District 7, A. Parker, Chinook; District 8, R. S. Weston.

School Column M. D. Keoma Meeting

Last week the Carleton Place High School ball team played the Strathmore boys on the home ground. The game was rather even, resulting in an easy win for Strathmore. It is a pity these games are not better promoted by the general public. We noticed players on both teams, who are not now attending school. Strathmore being the greater offender. The teams should be confined strictly to those now attending school.

Albert Crellin had the misfortune of breaking his arm, last week. He is around again now and his class mates hope to see him back in school very shortly.

This is the last month of school before the long vacation and examinations have already started in the Junior Rooms.

On Saturday evening Strathmore High School girls captured to Glenora to play basketball with the Glenora High School Team. Strathmore has been playing the new rules, allowing the players free movement about the whole court. It was agreed to play to Glenora had been playing, using the old rules, by which each player stays in his own section of the court. As a result Strathmore combination, as practiced was ineffective. The score was 20 to 13 in favor of Glenora. A new game will probably be played after the examinations. The thanks of the School is due to those who so kindly furnished cars for the trip to the neighboring town.

"Why We Should Buy At Home"

By Alice Stiller, Strathmore

The question of home-buying is compared to buying elsewhere involves consideration of the principle that business transacted by individuals on a cash basis is more likely to be secured to such a manner as to benefit materially the said district, if those residents hope to aid and develop, directly, their own property and industries.

Home is an instinct of such, and also a number of other things has been developed. In what better way could it be developed than in upholding one's home town?

Again, loyalty, together with enterprise, is a good combination. Think of the great number of times an order has to be returned from out-of-town because of dissatisfaction. Then why not buy where one can be satisfied? That is—at home.

There is also the element of cost. It is quite true that goods can be bought elsewhere slightly cheaper, but your merchant not be able to sell cheaper through home-buying. Keeping one's money at home means more money in the locality, and that means prosperity. Look where you like, is there ever a prosperous town that does not grow and beautify? The answer is, No. Why not build up your town?

More prosperity usually means more industry, which means work for the unemployed.

With a growing town comes more people, business, new industries, and more competition. The result being what? It means no less than greater means of improvements and pleasures, libraries, theatres, etc. more business activity, and cheaper costs. All this means a good deal to anyone.

With a large growing town come more comforts, electric light, sewerage, paving, parks, train service, all of which means a good deal to the average man or woman.

Beautiful towns attract tourists and their money.

Keep the money in your home town, for if you do beauty of town goes with prosperity. If buying at home makes one town prosperous, is it not logical that twenty will prosper? The result of this would be a prosperous province. A prosperous province means paying of taxes, more money for public utilities, more money for better roads, and above all, more money for elementary and secondary education.

If this was the present case South Alberta could have its Junior University in Calgary; it means to better efforts.

Drumheller; District 10, T. H. Taylor; Lacombe; District 11, H. A. Parry; Red Deer; District 12, H. E. Craig; Hardisty; District 13, T. H. Homan; Vermilion; District 14, P. Hardy; Edmonton; District 15, P. M. Ballantyne; Edson; District 16, H. E. Smith; Grande Prairie; District 17, J. S. Dummer, Berwyn.

The Council of M. D. Keoma, No. 249, met in regular session on May 26th, at 10 a.m. at the Municipal Hall. The following members being present: Reeve Strathmore and Councilors Messrs. Walker, Dunkin, Rucmiller, Jones and Turstoun.

The minutes of the last meeting were adopted as read.

Mr. Graham, resident engineer of the Dept. of Public Works was present, and advised the Council that the Provincial Grant would be \$170,000. On motion it was agreed to spend this money on the following roads, supplementing it with an equal amount of the Municipal funds.

1. On the road running east from Keoma 7 miles to the Municipal Hall.

2. From the bridge between sections 20-21-27-24, running south.

3. From N.E. 34-27-25-4 south 2 1/2 miles, hence west 2 miles.

The usual articles of agreement were duly signed with Mr. Graham on behalf of the Council.

The Reeve called upon the M. D. Council to lay on the table latest estimates of Divisional expenditure for the current year. Several of the Councilors had been over their roads, and had the matter well in hand as to the probable expenditure, which thought that further investigation was necessary. Therefore it was agreed that the Council as a whole should go over the roads on Saturday, May 30th, for the purpose of inspection.

A delegation of rate-payers were present with a petition signed by nine rate-payers petitioning the Council to gravel the road running east from N.W. 1, 12-25-24 east to Strathmore in such places as are necessary. No action was definitely taken on the matter. It being decided to go over the road first, which would be done on May 30th.

Correspondence was read from the Dept. of Public Works re the purchase of 25 acres from S.H. 10-25-24 for the purpose of a park site, the price asked was \$10 per acre cash. The Secretary was instructed to reply that the matter was under consideration.

Correspondence was read regarding road work on section 20, M. D. 10-24. It was pointed out that the new bridge and road between sec. 20-21-27-24 would serve.

The secretary presented the matter, re the surveying of the road, allowance between sec. 22-24-27-29, which is at present too narrow and too straight over the center of the road. On motion it was agreed that the secretary be instructed to write the proper Department of the C.P.R. and take this matter up with them to have the situation altered. Other matters of a similar nature were then presented, which were needing attention, and the secretary was instructed to write also in regard to them, namely, the crossing between sec. 27-28-27-26-4 and the crossing between sec. 22 and 27-25-24.

On motion it was agreed to allow Mr. Brewer to have the pond canal at his residence, N.E. 4, 25-24 instead of the cattle pond (N.W. 10-25-24).

On motion the date fixed for the Municipal picnic to be held on the park site was fixed as July 1st.

Mr. Rucmiller was appointed a committee to have charge of arranging for baseball and Mr. Dunkin for football.

On motion Messrs Thompson and Shepard were given permission to close the road allowance between sec. 15-16-26-24.

Mr. Macaulay presented a resolution from a meeting of his ratepayers in division three, to the effect that the Housing Inspector notify the road committee of any land that be placed on having plowed up for weed destruction.

The secretary presented the matter of a new school district having been formed under date of May 31st in the Alberta Gazette, known as the Brushy Lake S.D. No. 4213. The trustees of the said district, by estimate of expenditure for 1925 require \$1200 for the building fund. On motion it was agreed to instruct the secretary to lay a rate of 12 cents on the lands within the said district.

On motion the secretary and reeve were instructed to sign the agreement with the Strathmore Standard.

The secretary read communication from the Hall Board setting out the section 26 of the Municipal Hall Act that the party signing the hall application as owner need only send notice of the hall tax and he only entered in the assessment roll.

Mr. A. S. Stewart made application for a surveyor. On motion name was ordered filed.

On motion the reeve and secretary were instructed to arrange for the collection of the road construction fund as soon as the department sends the specifications of the standard road.

FIRST INTER-PROVINCIAL SCHOOL. Victoria, B.C.—Wholesome operating
out of British Columbia ports this
season are expecting a good catch.
The first inter-provincial school to
be established in the West will be
opened at Lloydminster, which town
is directly on the border line between
Alberta and Saskatchewan. The two
provinces will jointly contribute to the
support of the school.

Carseland

Carseland ball team seem to be
playing in hard luck lately, but we all
may be surprised one of these days.

Fred Dalton and family went through
Carseland last Saturday on their way
to their old home in Michigan. Auto
trips are becoming very popular. There
will be others starting soon on pleas-
ure trips to various parts of the
country.

Bill Berquist was taken suddenly ill
last Saturday. The attack had the
ear marks of acute appendicitis, but
at writing is reported better.

It was reported in town Saturday
night that Mr. Lausen had held his
car stolen in Calgary. The partic-
ulars are not available.

C. A. Phillips has at last succeeded
in getting a well completed at a depth
of over three hundred feet.

There have been three appeals from
the decision of the board of revision of
the Carseland School. The appeals
have been made on the grounds of ex-
cessive assessment valuation. No in-
formation has been received by the
board as to when these appeals will be
heard, before the district judge. For the
information of those who might be in-
terested, it might be stated that the
valuation the board has been using for
assessment purposes has been for the
past few years the same as the
municipal valuation, and in all prob-
abilities, the same plan will be followed
in 1926, when the new municipal val-
uation becomes effective.

The U.F.W.A. held a most interest-
ing and instructive meeting last Thurs-
day, at the home of Mr. H. A. Bishop,
the instructive part of the programme
was a drill in parliamentary practice,
and some time was spent in solving
word jumbles. At the business meet-
ing there were four delegates appointed
to attend the district U.F.W.A. and
U.F.W.A. convention, to be held at
Gleichen June 12th.

The ball club dance, held on the
25th, in Mr. Davis' barn, was a huge
success. The crowd was exceptionally
large, and the music splendid, and
everybody good natured. This being
the close of the first day of the ball-
ball season at Carseland.

Mr. and Mrs. Londale returned last
Saturday from Edmonton, where Mr.
Londale was attending conference.

Quite a number of children in the
community have been reported hav-
ing the chicken pox, while a number
of others are suffering from a rash
that seems to be infectious. No ill
effects have been reported so far from
either.

The U.F.W.A. held a special meeting
last Saturday evening, at which quite
a lot of business was gotten through.
Delegates to the district convention
were appointed. A report on the pro-
gress of the business of securing a
picnic ground at the river was given,
which showed that a parcel of land,
thirty acres, more or less, as had been
selected can be bought at ten dollars
an acre.

U.F.W.A. Sunday will be observed on
June 21st, and it is the intention to
hold the services at the Bow River
bridge, and to invite adjoining locals
to meet with us. Mr. Londale has
consented to take charge of the ser-
vices, and those who heard him last
year, and two years ago, will look for-
ward with pleasure to that day, and
those who have not been attending
will surely want to be in attendance
this year.

Bases loaded. One
out. What custom
in baseball is this
pitcher violating?

Irricana

Irricana is to have a big day on
July 16, when a Stampede will be held.
Big prizes are being offered for buck-
ing (barback and saddle) steer rid-
ing, calf roping, best dressed cowboy,
best bucking horse, novelty calf rid-
ing for boys, novelty races and stunts,
trap shooting, etc. Children's races
will be held in the forenoon. The big
parade will start at 10:30 a.m.
Grouse and Irricana will meet at a
ball game at 6 p.m., and there will be
a dance in the evening. The committee
in charge are Hugh Miller, R. L. Stone,
S. J. Nance, and J. W. McCulloch,
and the whole community are
behind them in making the Stampede
a success.

After all the sound and fury re the
school buildings, not a single candi-
date was nominated to take the place
of those resigning, and the matter is
now up to the Department of Educa-
tion.

IRRICANA U.F.A.

At a very well attended meeting on
Saturday, it was decided that as we
have our hall paid for, we should in-
corporate before transferring the deed,
instead of being held in trust, as at
present. The name to be "Irricana
U.F.A. Local No. 91."

At a recent meeting this local de-
cided to support the name of Mr. A. C.
Scratch as delegate to the next pool
convention. In the opinion of this
local Mr. Scratch is the best qualified
man in this district, and we consider
our best interests will be served by
entrusting Mr. Scratch with power to
represent us in convention.

He is well known throughout the
municipality being here, and has had a
wide experience as a speaker. So
if your local has not made a selection
to date, we would recommend that
you would consent to support Mr. Scratch's
candidate as delegate for this dis-
trict (sub district C-3).

All members of the Keesee, Irricana
and Belcher Live Stock Shipping As-
sociation are requested to be on the
lookout for the date of the annual
meeting, the second Tuesday in Au-
gust, 1925, at the U.F.A. Hall in Irri-
cana.

A very satisfactory year has ensued,
and a large attendance is expected as
the matter of affiliation with the
provincial pool will take place, annual re-
port of the shippers and other impor-
tant business. Don't forget the date.

Namaka

The sale of work held by the Ladies
Aid at the home of Mrs. H. John-
son on Saturday last was a real suc-
cess, and netted a profit of fifty-five
dollars. An ice cream social is being
put on in the near future. Watch this
paper for further announcement.

Mr. and Mrs. A. Montgomery were
the recipients of a pair of silver mugs
for the twins; being a present from the
Golden Jubilee Lodge, Knights of
Pythias. This being the first pair of
twins born since the reorganization.

Mr. H. Millar was over on a visit
from High River last week.

Mr. McIntosh, B.C., from Nova
Scotia, accompanied by Mr. and Mrs.
Hickman, arrived here last week on
a visit to her son, Mr. J. W. McIntosh.
Mr. and Mrs. Hickman leaving the
next day for points further west.

At a meeting of the Namaka con-
gregation held after the Church
School on Sunday, it was unanim-
ously decided to hold the school hence-
forth at the hour of a quarter to
eleven, and the preaching service at
half past eleven. The service will
close at a quarter past twelve.

Dalemead

It is with regret that we report the
death of little Nathaniel Anderson.
Born at Gleichen with the winter
snows, he passed on Sunday, May
24th. The funeral services took place
at A. M. Shaver's Funeral Home, and
he was laid to rest in the Union Cem-
etery, Calgary. The entire district ex-
tends their deepest sympathy to the
parents.

All voted touch.
That death is but the night door
Wherein' glows life forever more
We long to reach. — S. B. Summers

Glady's Conner and Nancy Brand,
representing the Dalemead Juniors,
as delegates, and Charles Hornum, as
constituent director, will leave on
June 2nd for Edmonton to attend
University Week for Farm Young
People from June 3rd to 9th, inclusive.

The Gleichen School of Agriculture

Hon. George Hoadley, Provincial Minister of Agriculture, will speak at the Convention of Bow Valley District Association of U.F.A.'s and U.F.W.A. to be held at Meadowbrook Community Hall, north of Gleichen, on June 12th. It is stated that the Gleichen delegates intend to take up with him the matter of the reopening of the School of Agriculture there.

This school was opened during the regime of the late lamented Liberal Government, the selection of the site and so forth being made by Hon. Duncan Marshall. After running for several years the school was closed, the reasons given being that the number of pupils attending did not justify the expenditure and the necessity for economy in the Province.

It is understood the Gleichen delegates intend to urge on the Government the reopening of this school. The only warrant for imposing on the taxpayers of the Province the expense of a teaching staff would be the guarantee of sufficient pupils to make the schools profitable to the whole district. When open before, the Gleichen district supplied very few pupils, the main attendance being from other points.

As a result of such a scheme suggested by the Gleichen people, the students were given the opportunity to purchase the school property from the only farmer who owned the site at a reasonable price. The Gleichen people have been very active in securing the reopening of this school, and it is hoped that the Government will be able to secure the reopening of this school, which would be a great benefit to the district. The school is located in Strathmore, and it is hoped that the Government will be able to secure the reopening of this school, which would be a great benefit to the district.

The necessity for reopening the school at Gleichen will require to be very apparent before the delegates to the Convention on June 12 would be justified in backing Gleichen in the request for reopening this school. While other schools in the Province have not their full complement of pupils.

At the same time, it is a waste of money to have the buildings empty, and they should be sold or made useful to the province.

C.P.R. and Town Taxes

The Canadian Pacific Railway is not treating Bow Valley towns very fairly in striving so strenuously, and incidentally so successfully, to have an assessment on Company lands within the limits of these towns, reduced to a very low figure.

For years C.P.R. property in these towns have been exempt from all taxes, by virtue of the agreement made between the Canadian Government and the Company, when the railroad was first built.

Now certain lands the company owns is coming under taxation, title having been granted for twenty years. To avoid paying any more taxes than it can help, the C.P.R. is using every means in its power to have the assessment reduced. As a consequence these towns find themselves little, if any, better off, by the change.

It is common knowledge that the actual value of vacant land in these towns is seldom as high as the assessed value. Taxpayers put up with this state of affairs because they know that a certain amount of tax money has to be collected and if the assessment is lowered it will only mean the mill rate will have to be increased. The C.P.R. does not benefit in this light, however, and thus benefit by the tolerance of the taxpayers.

Organize for Drive

At a meeting of the directors of the Livestock, Dairy and Poultry pools held on Wednesday, plans were completed for the organization of the drive for membership. The seven pool divisions in charge will hold after the appointment of captains for the drive, arrangements for meetings, etc.

LIVESTOCK ASSOCIATION SIGNS UP

The entire membership of the Buffalo Lake Live Stock Shipping Association has signed up with the new provincial livestock pool, following a visit paid to them by A. B. Clayton, chairman of the joint organization committee of the three pools, and of the livestock pool. The membership will bring 900 members into the pool, with an annual shipment of some 300 cars of livestock.

Posters advertising the various meetings which will be held throughout the province during the membership drive are now being printed. There will be more than 400 meetings covering all the districts in the province.

POULTRY POOL

The Poultry Pool has adopted the following resolution regarding sale of eggs to local consumers: RESOLVED that this Board adopt the policy that any producer can supply any bona fide local consumer with poultry and eggs and that such consumer will be released to this extent from his contract by this Board.

BE IT FURTHER UNDERSTOOD that this Board shall at all times be the judge of who bona fide local consumers will be.

Golf News

LADIES' CLUB

The tied game between Mrs. Lydiate and Mrs. S. Chamberlain was played off on Friday last, resulting in a victory for the former, which gives her the prize for the second flight in the single club competition.

The first team match of the season will be played on Friday, Saturday, or Sunday, June 6th, 7th, or 8th, at the matched players' convenience, between the forces of the Captain and Vice-captain. The following is the draw, the first named players in each case being on the captain's side, will please phone her opponent.

Miss Watson vs. Mrs. Van Tichem.
Mrs. Ridley vs. Mrs. Whitehead.
Mrs. Patrick vs. Mrs. Williams.
Mrs. Hill vs. Mrs. Wright.

Miss Brown vs. Miss M. Chamberlain.
Mrs. Pearson vs. Mrs. T. Chamberlain.
Mrs. S. Chamberlain vs. Mrs. Rowe.
Mrs. Whitney vs. Miss Gibson.

Mrs. Hirtle vs. Mrs. Shrimpton.
Mrs. Stockton vs. Mrs. Lydiate.
Match play (by holes), St. Andrews rules, and two local rules governing. Enquire as to hazards.

MEN'S CLUB

The return game with Rockyford will be played at Rockyford on Sunday next, and all club members who are able to play, and also those who have been requested to assist the Captain, are asked to notify the Captain at once so that all the necessary arrangements can be completed. A list of players for this game on the 7th mat will be posted in the windows of the Hardware Stores on Saturday afternoon.

mean the mill rate will have to be increased. The C.P.R. does not benefit in this light, however, and thus benefit by the tolerance of the taxpayers. The company's attitude in this matter is not very praiseworthy.

Police Statistics Concerning

The Present Liquor Act.

The old liquor act was in force all of 1923 and until May 10th 1924. The table herewith indicates that given a fair and reasonable Liquor Act the people are willing to obey the law. This in itself must remove discontent and the disrespect for all law that was so apparent under the old act.

Police Court Fines Under Liquor Acts

	Medicine Hat	Lethbridge	Edmonton	Calgary
1923	\$2,355.00	\$18,000.00	\$18,583.00	\$20,180.00
1924	1,850.00	8,500.00	10,112.00	11,065.00
1925 first 3 months	1,200.00	770.00	1,463.00	3,115.00
1925 March only	Nil	40.00	65.00	\$55.00

In the above table some reductions should be made for convictions that have been quashed on appeal.

Medicine Hat has had only one arrest for drunkenness in the first three months of 1925.

Lethbridge for the month of April 1925 reports only one arrest for drunkenness.

Police officials enforce, to the best of their ability, all laws whether popular or otherwise. Public comment by them as to the desirability or popularity of any Act would be contrary to police ethics.

Sufficient of their opinion, however, can be obtained from their reports. We give here a few extracts from some of these reports which have been submitted since the new Act became law.

"The new Act is working very well."

"The new Act is such an improvement from the police standpoint there is no comparison."

"The bootlegger is fast going out of business."

"There are important reductions in the number of intoxicated persons arrested."

"Very little drunkenness on the streets."

"Fewer reports of noisy night carousals."

"Fewer quarrels in the homes of the foreign element."

"Fewer street disturbances."

"A considerable reduction of petty police court cases formerly traceable to the drinking of hard liquor."

"Great improvement in the so called night life."

"The hotels are well managed and regulated."

"We get ready assistance and co-operation from citizens in enforcing the new Act; this was not our experience under the old Act."

"Liquor prosecutions are becoming few and far between."

Slats' Diary

Friday—I'm off to date for life this
time after she went an greeted
me last night. I just
happened to suddenly
pass by her house on my
way home from the
grocery and I stopped and
talked to her for a
minute and she said, "What
you like to take a nice
long walk and I red you
but I would. An she
replied and said, "Well
don't let me keep you
from doing it."
Sat.—Up to the city
today pa and ma and
Ant Emmy includes
me went to the Art
Museum. And when we came to the
Statue of Venus the Milo they had
a time on it which red. Hands off.
Ant Emmy said they must think I was
dumb and that emmy boy with a eye
in there had cut red that.
Sunday—A lady which came to call
this afternoon was a talking about
her brother whom she had got a
falsito voice. Ant Emmy said "Well
she had a falsito voice for the pipe in
and says, I got by my wife a falsito
falsito voice."
Monday—Jako and me tried to burn
out to Uncle Hens farm today and
they was a fellow drove up in a big
tourin car and he slowed up and red
to you fellows tired of walking and
we red yes you bet we are and he
said and red well why don't you
se down and red a while. And drove S.
Tuesday—Teacher is very much
tired today she give me a grade of
forty is happy. Even after I had
tired her my wife to sharpen her
pen.
Wednesday—I was dancing with Eloy
this evening and she told me I was
first dancing I mite get on her other
for a while. Done with her to.
Thursday—went down town with pa
and ma and they got to quarling and
pa and Well don't less fuss here on the
st. An what I say, "What a they got
a nice home for."

Wireless For Lifeboats

The Cunard liner Ascania, constructed for Canadian service, is equi-
ped with motor lifeboats fitted with wireless installation. Each one
of these boats is capable of travelling at a speed of 8 knots, with 10 or-
dinary lifeboats in tow. The Ascania is due at Montreal on her maiden
voyage Sunday evening, May 31.
